1	<b>Apologies.</b> None	
2	<b>Hack Space.</b> It was agreed that this title will only be used as a nick name for the group of shedders in the same way that the model railway group form a sub group of MK Men in Sheds, and that they will use their formal title of Make Space in any fund raising or other public activity. The minute 15 of the meeting held on 16 <sup>th</sup> March was confirmed, there will be an initial pilot trial for Hack Space, starting from the beginning of April Paul reported that there have been a core group of over 6 Hack Space members attending, meeting on Mondays and Wednesday evenings It was agreed that Tall Paul will provide Les and Peter with the names of the core Hack Space members to allow confirmation of the establishment of their direct debit donations It was noted that Paul and the Hack Pace members have got the three week system to review and dispose of old unwanted kit up and running PAT testing: Paul reported that he has applied for the training programme and that he hoped that other Hackers would come forward to be accredited as testers.	
3	It was noted that there are several outstanding issues from the meeting held on 16 <sup>th</sup> March, these will be carried forward.
